Dear Student

RE: Virtual Exhibition

I am writing to you as a student who has been studying Fine Art GCSE or Fine Art, Photography or Textiles A Level.

Normally about this time of year we have an exhibition of work from graduating GCSE and A Level students, as a celebration of the amazing work, creativity and dedication to these subjects. It is a time for you, your friends and family, staff across the school and members of the community to see the wonderful artwork you have made.

In these times, we need to look to another way to do this and we would like to do two things. Firstly, we would like to create a virtual exhibition, which will take the form of a video montage of photographs of student work from Year 11 and Year 13. We have most of the work still in school, but some students may have taken pieces home to continue with. If so, please can you take a good photo of this work (take from above, avoid shadows, fill the frame) and email to me at bramley@driffieldschool.org.uk.

Secondly, we would like to hold a real life exhibition later in the year, or early next year, when we will be allowed to do this safely. I will contact you again in September and ask that work is brought in to school for this exhibition. Rest assured, all art work will eventually be able to be collected, including sketchbooks, for you to keep and treasure. I will contact you in the autumn term to let you know when this is possible.

Please could you send me photographs of work (or indeed photographs if you are a photography student!) by Friday 3 July, so that we can create a video to be released before the end of term. We are excited to share all of your work with the outside world! You should all be very proud of your achievements.

Yours sincerely

A handwritten signature in black ink, appearing to be "R Bramley".

Miss R Bramley
Head of Art
