Dear Parent or Carer

**RE: Library books**

I do hope that you and your family are keeping safe and well during this time. I am writing to ask if your child could drop off the library books they have on loan from school when they collect their A Level results, as they will be needed for students in September. The books that are out on loan from the library are listed below:

**Book Title:**

**Book Value:**

In the meantime, if your child would like to continue reading then we have an ebook platform with many books on for them to read. Access to this is via [www.vlebooks.com](http://www.vlebooks.com). The organisation name is Driffield and the username is their network username (e.g. 11\_52145). The student password for the site is Driffield1.

Once on the site, students can go to the home page and select 'All eBooks' from the left-hand menu; the books we have available will appear. On the ebook Platform, you can alter the page colour of books you are reading by selecting the palette tool; there is also a 'read aloud' function. If you experience any problems with accessing this resource or if pupils have any requests for books to be added to the platform, please email [library@driffieldschool.org.uk](mailto:library@driffieldschool.org.uk).

Many thanks in anticipation of your support.

Yours sincerely
