

April 2020

Dear Parent or Carer

Re: Outlook expedition to Madagascar, 12 July - 6 August 2020

I am writing to update you on the Madagascar expedition and how this is being affected by the current COVID-19 situation.

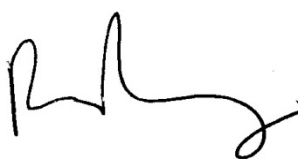

Over the last few weeks, I have been in regular contact with Outlook Expeditions for this trip, and both they and the school have been monitoring very closely the advice from the UK Government and the Foreign and Commonwealth Office. We appreciate that the students have spent considerable time fundraising, planning and preparing for their expedition and we are deeply saddened by the possibility that travel this year is looking increasingly unlikely.

While a final decision to cancel the trip has not yet been confirmed, Outlook has suspended all payments until further notice. As you will be aware there is an upcoming deadline for final payment due on 20 May, however given this latest communication from Outlook, I can confirm that you do not need to make any further payments towards your outstanding balance.

I continue to be in regular contact with Outlook Expeditions and I will update you with any further information as soon as I can.

If you have any further questions please do not hesitate to get in touch with me at rbramley@driffieldschool.org.uk.

Yours faithfully

Miss R Bramley
Expedition School Leader
