Dear Parent or Carer

I am writing to thank you for your ongoing support at this challenging time. As a school, we will continue to actively monitor the situation around COVID-19 and act on the advice given by Public Health England and the Department for Education.

There is currently no change in our circumstances and the school will remain partially open on Thursday 19 March for students in Years 11, 12 and 13 and for students where staying at home will require a carer who is a key worker in the health or education system to stay at home too.

As mentioned in my previous correspondence, our subject specialists have been working hard to upload work onto an online platform for all students to access from home. This platform is now live and students can access this work through the website.

As always, many thanks for your continued support during a difficult time.

Best wishes
