Dear Parent or Carer

Across the UK, there are many people self-isolating and awaiting tests for Covid-19; this also applies to a small number of our school community. In line with the guidance schools are required to follow, we will communicate with close contacts, following national Test and Trace procedures, only where there is a positive test returned.

It is worth noting that the latest statistics show that over 98% of all tests undertaken across UK have returned as negative so – with the cold and flu season approaching – it is important that we act only where there is a confirmed positive test.

Thank you again for your on-going support.

Yours faithfully
