Dear Parent or Carer

**Re: Y6 Virtual Information Evening**

Firstly, I hope you are all keeping well during this difficult time. This week should have seen us welcome you to Driffield School for our Parental Information Evening. Sadly this has not been able to take place but we have tried to provide you with as much information as possible to support your child in their transition to Driffield School in September.

This week, all our feeder primary schools have held one to one video calls with staff from Driffield School. I hope these have answered many questions that your child might have had.

Please find below two videos:

- The first is a Virtual Information Evening which we hope will answer many questions you might have.
- The second is a video workshop from our MIND Whole School Approach Practitioner Sally Mulligan. This is aimed to support your child around managing change.

**MIND workshop**

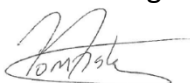

<https://youtu.be/ahVOYNznQ0A>

We will be in touch again before the end of term to inform you of which house your child will be in and we will follow up over the summer with further details regarding first day arrangements in September.

If you have any questions, please do not hesitate to get in touch via our transition email address.
