May 2020

Hello Year 6

I would firstly like to say a big welcome to Driffield School – your Secondary School!

I hope that you and your family are staying safe and you are doing all you can to keep busy and be helpful at home.

I know that being in lockdown can be a little boring and we are all missing family and friends, but this will be part of our history. In years to come you will be able to explain you were due to start Secondary School and we had to do things a little differently as schools were closed.

We are really looking forward to meeting you (whenever that will be) and I know that you will probably have all kinds of questions. This letter is the first of a few things that we are planning to help you settle into life at Driffield School.

Over the next few weeks we will put some videos of life at Driffield School onto our website for you to have a look at. There will also be a quiz so make sure you watch them carefully. Hopefully these videos will help answer some of your questions you may have.

After half term we thought you might like a few activities to get you thinking and feeling like a secondary school pupil. You do not need to complete everything but we are keen to see how much you can do. We have already spoken with your Headteachers and they are excited about what we have planned for you.

Hopefully you will still be able to visit us before the summer holidays but we will keep you and your parents or carers updated as we find out more information.

Stay safe and we hope to see you soon.

Yours faithfully

A handwritten signature in black ink, appearing to read "Tom Fisher".

Mr T Fisher  
Assistant Headteacher
